

RGE Y Arm - MECHANICAL

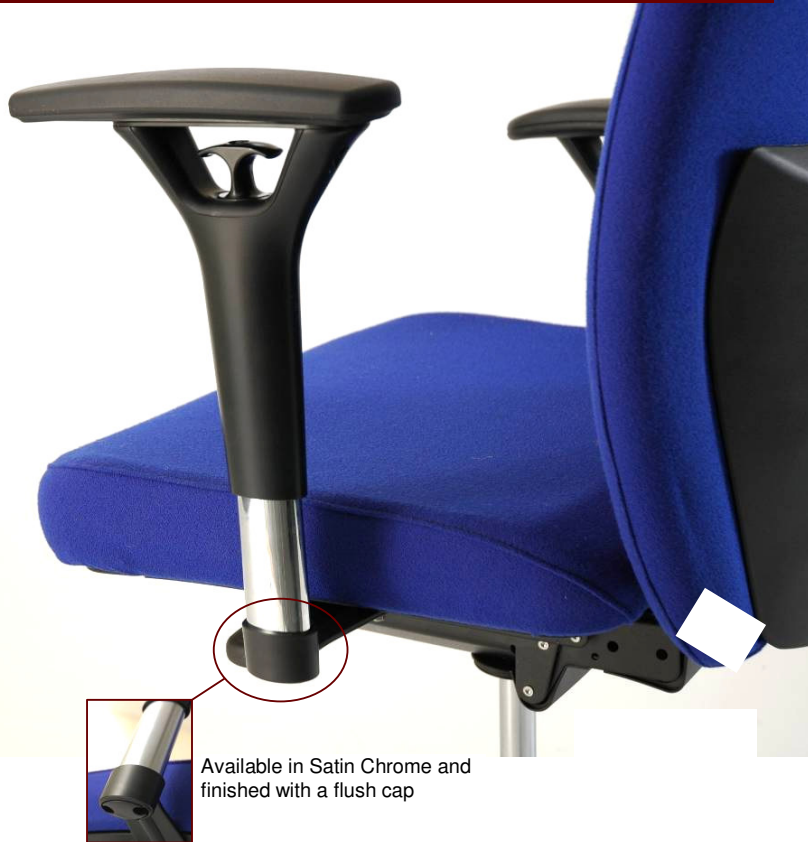

Spring Assisted Mechanical Adjustable Arm

RGE Adjustable arms – Patented Ergonomic Design

An adjustable arm suitable for ergonomic office chairs. Designed and Engineered by RGE Engineering, the Y-Arm represents a complimentary design to the RGE Gas assisted Y arm at a lower price expectation. The arm is capable of 80mm vertical height adjustable with the lifting of the ergonomically designed lever. The vertical lift is aided with the inclusion of a specially weighted spring.

- Spring Assisted Vertical adjustment – 80mm travel, infinitely adjustable
- Patented design
- Unique Y-shape aesthetic
- Top-of-the-range adjustable arm
- Spring assistance provides excellent feel and build quality.
- Ergonomic lever for adjustment sits comfortable in operator's hand
- Available in Black, Chrome (pictured) or Chrome Satin
 - Adjustable Pad (rotating) - RGE 255
 - Fixed Pad– RGE84BLK
 - Forward/backward Adjustable Pad (pictured) – RGE87BLK
