

RGE707 Chair Base

Image shows RGE707 chair base fitted with RGE632 castors and a RGE229CHR gas lift

The RGE707 is a cast aluminium version of the RGE Knightsbridge base in a polished finish.

This a top-of-the-range spider base with a modern design and a slim high arch profile. The RGE707 base is ideally suited for use on executive chairs.

The Knightsbridge and RGE707 create an upgrade path for a range of chairs to offer the same base in plastic or polished finish.

The RGE707 base is compatible with all RGE castors however the RGE632 60mm castor is recommended for use with drop through gas lifts.
